

Cross Plains I.S.D. is seeking to hire a highly qualified instructional aide. This person should be enthusiastic, highly motivated and enjoy working with students and adults in an educational setting. Duties will include assisting classroom teachers, school administrators, and other school officials with student instructional activities. Teachers' aides' duties include working directly with students in special education settings, classroom monitoring, tutoring, and working with individual students and small or large groups of children.

The No Child Left Behind federal legislation requires that paraprofessionals are "highly qualified." The No Child Left Behind Act of 2001 designates specific educational knowledge that being a teachers' aide requires. This is due to the interaction with K-12 students on a regular basis.

Please contact Margie Sowell, Elementary Principal, for further information.

Phone: 254-725-6123, extension 228.

Applications are available in any of the administrative offices.
